1400 West Goodwin Ave, SLC
4:00pm—5:00 pm
6:00pm—7:00 pm

March 18, 2010

BYU Conference Center Room 2265
770 East University Pkwy, Provo
4:00pm—5:00 pm
6:00pm—7:00 pm

Grand Awards Judges Needed

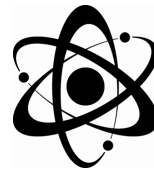

Grand awards judges will be responsible for selecting the top award winners at the fair including the 15 finalists that will represent CUSEF at the Intel International Science & Engineering Fair.

Ten individuals are needed as grand awards judges.

As a grand awards judge you will not be assigned a specific category. You will be interviewing students in many categories. After reviewing the results from the category judges it will be the responsibility of the grand awards judges to determine the overall winners.

Grand awards judges will need to be available on March 24 from 7:00-9:00pm and March 25 from 9:00am-3:00pm.

If you are interested in being a Grand Awards Judge please contact Lisa Clarke at 801-422-1987.

Science Fair Judges Needed!

Your help and expertise are needed this year as a category judge for the 2010 Central Utah Science & Engineering Fair!

CUSEF is a regional science competition for students in grades 5-12 and showcases the inquisitive natures and scientific discoveries of some of the best and brightest young minds from South Salt Lake, Utah and Wasatch Counties. We are expecting 850 students to participate this year!

The top projects at CUSEF advance on to compete at the Intel International Science & Engineering Fair or the Discovery 3M Young Scientist Challenge.

The Central Utah Science & Engineering Fair celebrates the achievement of all young scientists and is dedicated to exciting students about math and science. It is our intention to help students combine the lessons they have learned in the classroom with their own interests and discoveries. By volunteering as a category judge, you too, will celebrate achievement and encourage excellence among our region's future scientists, doctors and engineers!

CUSEF Committee &
Dr. John S Gardner - Director

Judging Schedule

Elementary Competitions Grades 5-6

Tuesday March 23, 2010
9:00am-Noon
Lunch Served @ Noon

Wednesday March 24, 2010
9:00 am - Noon
Lunch Served @ Noon

Secondary Competition Grades 7-12

Thursday March 25, 2010
8:00 am - Noon (Grades 9-12)
10:00am-2:00pm (Grades 7-8)
Lunch Served @ Noon

Elementary Categories

Earth Science
Engineering & Computer Science
Life Science
Physical Science - Chemistry
Physical Science - Physics
Product Testing & Consumer Science

Secondary Categories

Animal Science
Behavioral & Social Science
Biochemistry & Chemistry
Computer Science
Earth & Planetary Science
Energy & Transportation
Engineering
Environmental Science
Medicine & Health
Mathematics
Microbiology
Physics & Astronomy
Plant Science

I would like to volunteer as a
CUSEF Category Judge!

How do I sign up?

Register online at
<http://cusef.byu.edu/judges>

Or call us at 801-422-1987

Please respond by March 12, 2010
